

RNLI AUTUMN FAIR HAVEN PORTS YACHT CLUB 2010

The one day event was stretched towards two days as Suffolk Yacht Harbour had instigated the "Meet the Professionals" weekend to coincide with the Yacht Fair.

People cooked cakes, breakfast and burgers – and people bought them.

People went racing yachts – and people had fun – Graham Peck won!

People drank tea and coffee thanks to the ladies.

People bought Christmas presents.

People sold Yacht Grot – and people bought some.

There was an auction for a cake at the laying up supper and that meant that money was raised and people went sailing the next day in skirts and wigs!

The cake was auctioned again on Sunday and people paid not to have it and again somebody bought it – Its still not eaten!

The "million dollar" cake raised - £775 alone (thanks to "H" Irish for making it)

The event has already made over £4,000 and the raffle is ongoing.

Thanks
