

HAVEN PORTS YACHT CLUB

CLUB HANDICAP APPLICATION FORM

Boats wishing to enter for Club Handicap races must have a current Club handicap. This can be applied for using the attached form. If you have a current IRC certificate then please attach a copy, as all the information we need can be obtained from it.

If you raced your boat under club handicap last year, then we will update your club handicap automatically. However, we would still like you to submit the form if you intend to race, so that we can ensure your club handicap is based on the fullest information possible. If you are unable to provide full details then we will still endeavour to provide you with a handicap, but you run the risk that this could be tougher than it would be if we had full details, as we are reluctant to risk disadvantaging boats that have complied in full compared with those that have not. Please note that many of the sail dimensions may be available from your sail maker.

Please bear in mind that it will take a week or so to deal with your application, so do not expect to be able to submit it at the last minute and race the next day. **At least a week's notice is required.** If you think you may wish to race under Club handicap at any time during the year it would be helpful to submit your details now, so that the list can be as complete as possible from the start of the season. To do so does not put you under any obligation to race.

Please return the completed form, marked CLUB HANDICAP APPLICATION, to –

HPYC Sailing Secretary, LV87, Suffolk Yacht Harbour, Levington, Ipswich IP10 0LN

Or, leave it (so marked and addressed) behind the bar in the Clubhouse.

Boat Name	Sail No.
Owner (Name, Address, Phone, e-mail)	
PLEASE GIVE FULLEST POSSIBLE CONTACT DETAILS, TO FACILITATE COMMUNICATION IN THE EVENT OF LATE/URGENT CHANGES	

Boat Details (tick one of the following) –
